Commemoration of All the Faithful Departed (All Souls' Day)

Zacchaeus the Tax Collector

Zacchaeus Welcomes Jesus

Luke 19:1–10

Jesus visited a man named Zacchaeus who was not liked by others. Zacchaeus wanted to see Jesus and promised to do good. Jesus was happy and stayed with him.
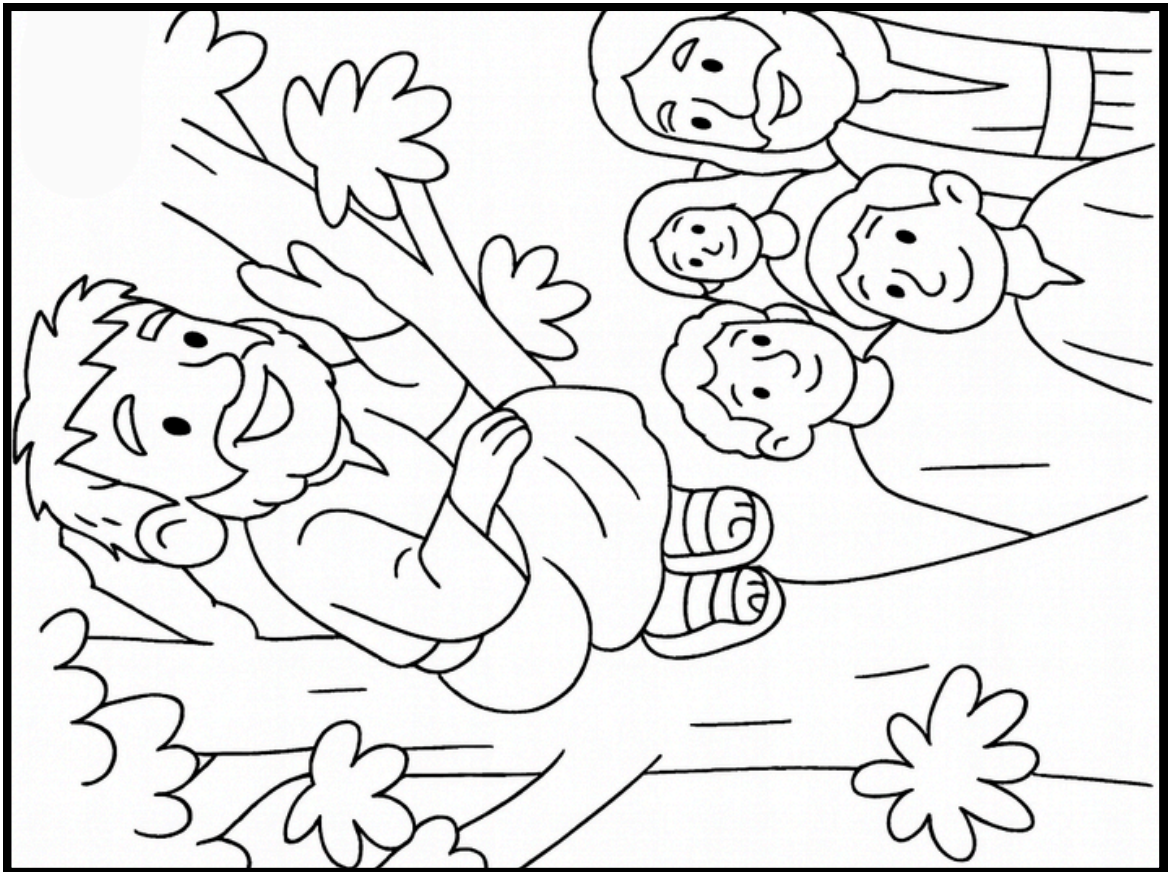

Compassion is the language of the heart.

St. Martin de Porres

Jesus welcomes everyone!

Spot The Difference

Reflection Page

Draw or write about a nice way to say hello to a new friend.

Describe what happened and how you felt. Use words or pictures to show it.

Think of a kind thing you can do today to welcome someone.

Welcome Banner

Design your own welcome banner.

1. Who Are You Welcoming?
   - Think about if you're saying "hello" to one person, a group, or everyone. This helps you choose what pictures and words to use. For a family party, you might use family pictures, but for a school event, you might use the school logo.
2. Design Ideas:
   - Colors:Pick colors that match your event. Bright colors can be happy and exciting. Softer colors can be calm or serious.
   - Fonts: Use letters that are easy to read. You can mix big, bold letters with fancy ones, but make sure people can read the main part easily.
   - Pictures: Add fun pictures like balloons for a party or leaves for an outside event.
   - Theme: Use ideas that match what your event is about, like snowflakes for a winter party or flags from different countries for a cultural day.
3. Add a Special Touch:
   - Make it personal with names or a happy message. This makes people feel special.
4. Size and Place:
   - Make sure the banner is big enough to see and put it where everyone can notice it.
5. By using these ideas, your banner will say "welcome" in a fun way!
